Federal (FED) CDC Rent Eviction HALT !

How the FED CDC effects Nevada Rent Evictions?

CDC = Center for Disease Control and Prevention

What our Federal Government should have done for Landlords and Tenants.

Again, this Rent eviction issue is really getting out of control. Tenants have the mentality that they don't have to pay rent anymore because NOW our [empty-headed](#) Federal Government has put a temporary STOP to all rent evictions until 12/31/2020. If the Federal Government wanted to protect the Tenants and HELP the Landlord, then our [slow-witted](#) Federal Government should have done the following:

1. Federal Government initiates a \$500 Trillion dollar budget fund for Tenants and Landlords to apply for.
2. Tenants be required to submit their Leases, Rent Payment History, Weekly Check Stubs, and applications for Rent Assistance to the Federal Government. This can be submitted online, fax, email or by regular mail.
3. Landlords be required to submit their Tenant Leases, Rent Ledgers, Mortgage Payment Statements, Check Stubs, and applications for Mortgage Payment Assistance to the Federal Government. This can be submitted online, fax, email or by regular mail.
4. Federal Government be required to validate that Tenants are entitled to have their rent paid to Landlord through Rent Assistance. All Federal FBI and Homeland Security employees work to validate the application. Phone calls,

faxes, emails, etc. to employers. Any Tenant caught lying to the Federal Government is prosecuted.

5. Federal Government be required to validate that Landlords are entitled to have their mortgage payments paid to Banks and Lenders through Mortgage Payment Assistance. All Federal FBI and Homeland Security employees work to validate the application. Phone calls, faxes, emails, etc. to employers. Any Landlord caught lying to the Federal Government is prosecuted.

6. Landlords receive rent from the Federal Government for all Tenants that qualify.

7. Lenders and Banks receive mortgage payments from the Federal Government for all Landlords that qualify.

8. Any Tenants that do not qualify, Landlord has the right to evict those Tenants.

What does the NEW Declaration form (Attachment A) look like?

ATTACHMENT A DECLARATION UNDER PENALTY OF PERJURY FOR THE CENTERS FOR DISEASE CONTROL AND PREVENTION'S TEMPORARY HALT IN EVICTIONS TO PREVENT FURTHER SPREAD OF COVID-19

This declaration is for tenants, lessees, or residents of residential properties who are covered by the CDC's order temporarily halting residential evictions (not including foreclosures on home mortgages) to prevent the further spread of COVID-19. Under the CDC's order you must provide a copy of this declaration to your landlord, owner of the residential property where you live, or other person who has a right to have you evicted or removed from where you live. Each adult listed on the lease, rental agreement, or housing contract should complete this declaration. Unless the CDC order is extended, changed, or ended, the order prevents you from being evicted or removed from where you are living

through December 31, 2020. You are still required to pay rent and follow all the other terms of your lease and rules of the place where you live. You may also still be evicted for reasons other than not paying rent or making a housing payment. This declaration is sworn testimony, meaning that you can be prosecuted, go to jail, or pay a fine if you lie, mislead, or omit important information.

I certify under penalty of perjury, pursuant to 28 U.S.C. 1746, that the foregoing are true and correct:

- I have used best efforts to obtain all available government assistance for rent or housing;
- I either expect to earn no more than \$99,000 in annual income for Calendar Year 2020 (or no more than \$198,000 if filing a joint tax return), was not required to report any income in 2019 to the U.S. Internal Revenue Service, or received an Economic Impact Payment (stimulus check) pursuant to Section 2201 of the CARES Act;
- I am unable to pay my full rent or make a full housing payment due to substantial loss of household income, loss of compensable hours of work or wages, lay-offs, or extraordinary out-of-pocket medical expenses;
- I am using best efforts to make timely partial payments that are as close to the full payment as the individual's circumstances may permit, taking into account other non-discretionary expenses;
- If evicted I would likely become homeless, need to move into a homeless shelter, or need to move into a new residence shared by other people who live in close quarters because I have no other available housing options.
- I understand that I must still pay rent or make a housing payment, and comply with other obligations that I may have under my tenancy, lease agreement, or similar contract. I further understand that fees, penalties, or interest for not paying rent or making a housing payment on time as required by my tenancy, lease agreement, or similar contract may still be charged or collected.
- I further understand that at the end of this temporary halt on evictions on December 31, 2020, my housing provider may require payment in full for all payments not made prior to and during the temporary halt and failure to pay may make me subject to eviction pursuant to State and local laws.

I understand that any false or misleading statements or omissions may result in criminal and civil actions for fines, penalties, damages, or imprisonment.
